

## ATL1380 ATLANTIC 1380 - INSET SINK

Inset - Atlantic - 1380mm - ATL1380

### DIMENSIONS

Length: 1380mm | Width: 480mm | Depth: 170mm

### DESCRIPTION

- The Atlantic range is the ultimate combination of practicality, ageless style and the maximisation of kitchen space – perfectly embodied by the Atlantic 1380 inset sink. At 1380mm long, it is slightly longer than a standard kitchen sink but awards the user with two bowls and two drainers to produce a sink with more than ample functionality. Its overall dimensions are 1380mm long, 480mm wide and 170mm deep and it is constructed from 304, 18 / 10 grade stainless steel with a 25-year warranty, proving that this sink does not compromise on quality. We also offer two basket plugs and will put a tap hole in at no charge. Designed with the user in mind, the double sink double drainer style is especially useful. You can't go wrong with this sink.
- 1380mm x 480mm x 170mm
- Compact for a double drainer sink but still with plenty of space
- Optimises practicality
- Excellent stainless steel construction supported by a 25-year warranty
- Two basket waste plugs and tap hole cutting included

### WARRANTY

25 Year Product Replacement Warranty / 2 Year Parts & Labour

- Product replacement does not include installation or removal of the original product
- Check product for damage before installation - installing a damaged product voids warranty

### IMPORTANT NOTICE

- The dimensions of all ceramic products may vary from size guidelines due to material properties and the handmade manufacturing process.
- All pictures and drawings on this brochure are representational only, changes in the product may have occurred since time of print.
- All prices on this brochure and The Sink Warehouse website are subject to change without notice.
