All Black Bathroom Accessories Finishes Are Covered By A 12 Month Warranty Period Only (Black Finished Accessories Will Invariably Chip Over Time)
Black Finished Accessories Have A Dark Side

Black bathroom accessories are definitely all the rage and very stylish, good looking and extremely adaptable when designing your dream bathroom. Black finished accessories do have a dark side which could cloud your dream purchase. You need to be aware that all electroplated black finishes are susceptible to chipping and flaking over time. The finish is only covered by a twelve month warranty even though the product itself may have a five year warranty. We recommend a safer alternative is to look at the gun metal range. Important Note: Don't use any chemicals to clean your accessories, warm water and a soft cloth or light sponge should do the trick, this however does not mean it will not chip or flake.
