

DIMENSIONS

Length: 350mm | Height: 725mm

DESCRIPTION

Our Panels are applied to the side of your cabinets which give your kitchen the finished look. This premium finish to end your kitchen means that your kitchen will stand out from one side to the other. Our recommendation is to get the same finish on your cabinets such to ensure you aren't leaving exposed carcasses or ill fitting finishes. These panels can be used around your kitchen and even in between cabinets when the cabinets are not the same height.
