

TAQFIOSMC/B:

**DESCRIPTION**

- The Fiona provides a premium look with simplistic design. The elegant design will make it the star of your kitchen. With its 360° degree swivel spout you have outstanding maneuverability and range of motion to ensure incredible usability. The 5 Star WELS rating ensures that you are getting the highest quality Australian standards for efficiency and performance, this comes from our attention to detail, making sure you get the best product possible. Our Superior internal ceramic disc cartridge technology gives you reliability and consistency in making sure every use gives you as much control over water temperature and flow as the last one. The Gun Metal finish is made for more than just performance and practicality, it will be the envy of all visitors to your kitchens. It really is beautiful in how simple it looks yet engaging in how quality it is.
- The Fiona is one of the most popular mixers at The Sink Warehouse with its long term integrity, ease to handle and sparkling finish, it's no wonder our customers enjoy them so much and we're sure you will to.
- The Fiona is a contemporary, round, single lever, gun metal, sink mixer
- It is constructed from solid brass and features a high-quality gun metal Finish
- 360° degree swivel spout
- Our high quality internal ceramic disc cartridge technology provides you a supportive but sturdy touch on the mixer which gives you adjustment over power and temperature
- This engine room of technology means greater performance and reliability on every use, we take care of it, so you don't have to worry about it
