DESCRIPTION

- The Classic is a contemporary, wall hung bathroom vanity and ceramic top combo.
- The cabinet is constructed from high moisture resistant (HMR boards) which reduce the risk of mould and bacteria.
- The Vanity top is made from a ceramic top with an undermounted rectangular basin/s, this means you get a premium finish on your vanity tops and save money by not having to pay for under mounting
- The vanity surface is completed with a 2 PAC polyurethane finish which makes it resistant to conditions normally found in bathrooms such as heat, moisture and stains, but also marring and chipping to the vanity surface. This guarantees that the vanity will continue to look great long after purchase.
- Conforms to the lowest formaldehyde percentage ratings (up to the highest Australian and International environmental and health standards).
- Designed to guarantee product longevity through its solid construction. Every drawer has solid 16mm panels and backing and are screwed double front.
- Installed with DTC runners and hinges, manufactured from high grade materials, and incorporates soft close technology, reducing wear and tear and increasing the lifespan of the vanity.
- 96mm aluminium handles are rust resistant and easy to clean.
