DESCRIPTION

The Tate is a modern toilet suite bringing together elegance with cutting edge technology. Its incredible views are complemented by the ceramic build and premium finish. The soft close technology means you enjoy a peaceful finish to every flush and the nano glaze ensures an anti-bacterial barrier which prevent dirt and grime settling inside your toilet. It is also versatile with its ability to be fitted as a 5-Trap or P-Trap depending on whichever is easier for you. This versatility is taken another step further with the back or bottom water inlet which gives you greater flexibility. The dual flush technology is consistent in providing you 4.5 /3 litre flushes from your toilet, both incredible powerful and efficient. The York is one of the most popular toilet suites at The Sink Warehouse with its long term integrity, ease to handle and sparkling finish, it's no wonder our customers enjoy them so much and we're sure you will to.
